HORIZON SCIENCE ACADEMY-LORAIN THIRD GRADERS LEARN ENGINEERING AT THE FIRST LEGO LEAGUE COMPETITION!

LORAIN, OH, Thursday, January 28, 2015- Congratulations to our Junior First Lego League team on receiving the Team Work Award at the robotics competition in Kenston, Ohio on January 25, 2015! The students (Anthoney, Richard, Steven, Chloe, Joselin) had to strategically build a bridge out of tooth picks and marshmallows, present their projects, then complete a human writing exercise. They were given a word and had to spell it out using their bodies. They did an amazing job working together in solving the various tasks that they were given. Horizon is very proud of them!!!

Horizon Science Academy-Lorain provides a college-prep curriculum to students in grades Kindergarten through 11 with a high-quality academic and social environment focused on rigorous instruction and high student expectations, with an emphasis on science, technology, engineering and math. Please visit our website for more information: www.horizonlorain.org.

Horizon Science Academy-Lorain is managed by Concept Schools. Concept Schools is a Chicago based not-for-profit management organization that currently manages 30 successful, public charter schools with a STEM focus. For more information on Concept please www.conceptschoools.org.
