HORIZON SCIENCE ACADEMY OF LORAIN EARNS OHIO AUDITOR OF THE STATE AWARD!

LORAIN, OH, Tuesday, February 19th, 2019 - As Warren Buffet once said, "Price is what you pay, value is what you get!" Horizon Science Academy of Lorain, in partnership with our Central Office Team from Concept Schools, recently showcased this type of value that our schools offer by earning the "Ohio Auditor of the State Award" from Keith Faber with the Ohio Auditor of State's Office.

According to their website, "The Auditor of State's office presents awards to public entities that meet specific criteria during their financial audit." It is given in recognition of excellence in financial reporting in accordance with Generally Accepted Accounting Principles (GAAP) and compliance with applicable laws for the fiscal year. This is a significant accomplishment considering how detailed and rigorous this process is in the State of Ohio. Click [here for](#) more information from about the process.

Overall, we are extremely proud of our central office team, school leadership, and our fantastic Treasurer Mr. Celep. Click [here](#) for the story on our website.

Horizon Science Academy-Lorain provides a college-prep curriculum to students in grades Kindergarten through 12 with a high-quality academic and social environment focused on rigorous instruction and high student expectations, with an emphasis on Science, Technology, Engineering and Math. Please visit our website for more information: www.horizonlorain.org.

Concept Schools is a nonprofit charter management organization that provides a high-quality, STEM-focused, and college-preparatory education through a network of charter schools while offering exceptional programs, comprehensive services, and opportunities to partner in education. For more information on Concept please www.conceptschools.org.
