### **HORIZON SCIENCE ACADEMY OF LORAIN PRESENTS ITS THIRD ANNUAL SCIENCE FAIR**

LORAIN, OH, Friday, February 10<sup>th</sup>, 2012: Students at Lorain's own Horizon Science Academy will be participating in this year's in school science fair to be held on February 10<sup>th</sup> from 3:00 p.m. to 5:30 p.m. Students have masterfully created their own science tri-fold board illustrating how the scientific method was used to test their hypothesis. There will be 100 projects on display and the best ones will then move on to compete at the top level of the CONSEF Science Fair in Cleveland on March 3<sup>rd</sup>, 2012 at Cleveland State University.

In addition students will be expected to present their project to three judges. Some of the fascinating projects include:

- Caffeine's relationship to blood pressure
- Temperature's effect on popcorn
- Organic vs. inorganic foods
- Paper chromatography
- Common fears
- Egg in a jar

Judging will start at 3:00 p.m. sharp, at which time students will present their projects to the judges, who will then ask questions and give suggestions to the students regarding their projects. The program will continue with an Awards Ceremony from 4:15 p.m. to 5:00 p.m. in the auditorium which will be followed by a complimentary meal from 5:00 p.m. to 5:30 p.m. in our cafeteria. Following all the events, parents will have the opportunity to explore all of the student's projects throughout the gymnasium and take photos of their student's hard work.
