

“A School Where Dreams Come True!”

April 22nd, 2021

Horizon High School Parents and Guardians,

In order for our students to explore all available career options, our offices work with colleges as well as military branches very closely. Our goal is to inform our student body with each and every potential opportunity available for them. To accomplish this task, we may need to share your contact information with approved recruiters from military branches who request parent contact information under provisions of the [Section 8025 of the Every Student Succeeds Act](#).

If you prefer your name, address, and phone number not to be shared with military recruiters, simply fill out the following form and return to school office.

Sincerely,

Horizon Science Academy of Lorain

I prefer my information not to be shared with military recruiters.
